

French Water with a local flavour

Rhône flavoured water from Evian is a french water brewed and distributed locally, to bring about a more sustainable environment, while maintaining the quality and taste from the glacier water of the french alps. The lightly flavoured water is *sweetened naturally* with local fruits and vegetables, so you can enjoy a *low calorie* water.

Please visit www.evian.com/rhône to find out more about our sustainable local water projects around the world!

This glass water bottle is recyclable, or reusable.

Ingredients: filtered water, apple, cucumber, ozone.
